

## 4K Media Streamer Setup (Model: TV-X4)

### Quick Safety

- \*Power Supply:\* Use only the included 5V power adapter. Third-party chargers can overheat the device.
- \*Ventilation:\* Do not place the streamer inside a closed, unventilated cabinet or directly on top of a hot audio receiver.

### Box Contents

- \*[A]\* 4K Streaming Dongle
- \*[B]\* Voice Remote
- \*[C]\* HDMI Extender Cable
- \*[D]\* USB Power Cable & Wall Adapter

## Step-by-Step Installation

### Step 1: Video Connection

1. Plug the \*Streaming Dongle [A]\* directly into an open HDMI port on your TV.
2. \*Optional:\* If space is tight behind your TV, connect the \*HDMI Extender Cable [C]\* between the TV and the dongle.

### Step 2: Power Connection

1. Plug the small end of the \*USB Power Cable [D]\* into the side of the dongle.
2. Connect the other end to the included wall adapter and plug it into an electrical outlet. (Do not use the TV's USB port, as it may not supply enough power).

### Step 3: Remote Pairing & Wi-Fi

1. Turn on your TV and switch it to the correct HDMI input channel.
2. Insert two AAA batteries into the \*Voice Remote [B]\*.
3. Hold the remote within 3 feet of the TV screen. Press and hold the \*Home\* and \*Back\* buttons simultaneously for 5 seconds to pair.
4. Follow the on-screen prompts to select your Wi-Fi network and enter your password.
